www.epa.gov/pesticides/regulating/labels/design-dfe-pilot.html

Contec Citric Acid Disinfectant is a ready-to-use botanical EPA-registered hospital grade disinfectant strong enough to kill TB and non-enveloped viruses. Fragrance and dye-free, it is ideal for infection control in healthcare practices, laboratories, schools, offices and homes.

Contec Citric Acid Disinfectant is effective against a broad range of disease causing organisms with fast kill times. It sanitizes in 1 minute and disinfects in as little as 5 minutes. Contec Citric Acid Disinfectant is tuberculocidal, meeting OSHA's Bloodborne Pathogen Standards.

Contec Citric Acid Disinfectant has a better toxicity rating than most traditional disinfectant products and has a much lower odor profile than other botanical disinfectants.
